SEVIERVILLE, TENNESSEE— Myra Goldick, keynote speaker and author, has been selected from a nationwide search to be featured in *Mastering the Art of Success*; a highly successful book series from Tennessee-based Insight Publishing. The book features best-selling authors Les Brown (*The Power of Purpose*), Mark Victor Hansen (*Chicken Soup for the Soul*), and Jack Canfield (*Chicken Soup for the Soul, The Success Principle: How to Get From Where You Are to Where You Want to Be*). Myra Goldick, Brown, Hansen, & Canfield, are joined by other well known authors, health experts, and speakers, each offering time-tested strategies for success in frank and intimate interviews.

Myra, as a child paralyzed by polio, was told she would never walk again, and accepting paralysis was her only option. She was divested by poverty, discrimination and disability during the 1950's in New York City. Myra became a driven survivor who refused to believe someone else's opinion of her capabilities. Through faith, perseverance, and creativity she rose above adversity building an amazingly successful life. Creating became her life; it also saved her life.

This inspirational speaker, professional artist, retired middle management corporate executive, shares her powerful coping mechanism with others. Inspiring others to have courage, creativity, resilience, and to never give up is Myra's mission.
